- failure of the Customer to replenish the amount of the spent minimum balance;
- failure of the Customer to comply with the rules and requirements of payment systems and the Bank;
- failure of the Customer to fulfill obligations under the Agreement;
- upon receipt of an application from the Customer to cancel (close) the Card and terminate the Agreement;
- when debit transactions on the Card account are suspended on the grounds provided for by the legislation of the Kyrgyz Republic;
- receipt by one of the Parties of a notice of termination of the Agreement;
- seizure, suspension of transactions on the Card Account or other encumbrance of the Card Account in accordance with the legislation of the Kyrgyz Republic;
- upon receipt from the Customer of an oral notification or application to block the Card due to loss, theft and/or unauthorized use of the Card;
- expiration of the Card;
- termination of the Agreement;
- failure to update documents in a timely manner (if the identity document has expired, etc.).

The Card is blocked on the grounds specified in this clause of the Agreement within the time limits independently determined by the Bank.

7.2.21. The Bank has the right to unilaterally (without the Client's acceptance) write off funds from all of the Client's accounts, cancel transactions, block funds, the Client's current and card accounts, restrict access to the Bank's Mobile Application, make adjustments to the amounts in the Client's

accounts in the event of technical failures, receipt of refund requests, as well as in cases of fraudulent transactions and violations of the law on the part of the Client, identified as a result of monitoring transactions in accordance with the Bank's internal rules and the Rules of the International Payment Systems.

7.2.22. In case of the Customer's insolvency, file a claim in a court of general jurisdiction for reimbursement of the Debt on the Customer's Cards and provide information about the Customer's financial violations to the competent authorities in accordance with the current legislation of the Kyrgyz Republic.

7.2.23. Unilaterally terminate the Agreement, cancel the Card and not return the cost of paid commissions if the Customer fails to appear at the Bank to receive the Card within more than 6 (six) calendar months from the date of submission of the application.

7.2.24. Block money on the Card Account in the amount of the Authorization for the Card Transaction until the Processing Center receives documents confirming the fact of the Card Transaction. If supporting documents are not received within 30 (thirty) calendar days, the blocked amount is subject to unblocking.

7.2.25. Cancel Additional Cards issued under the Card Account in case of cancellation of the Main Card and do not return the retained commission for the annual service.

7.2.26. In order to reduce the risk of Unauthorized Card Transactions, set restrictions and limits on Card Transactions. The amount of restrictions and limits, as well as the conditions, terms and procedure for their establishment, shall be determined by the Bank independently.

7.2.27. In case of incoming funds to the Customer's Card Account in a currency other than the Card Account currency, the Customer gives his/her unconditional consent to the exchange transaction performed by the Bank at the Bank's commercial rate on the day the funds are credited.

7.2.28. If within 90 (ninety) calendar days after the card is withdrawn by the Bank's ATM, the Customer does not contact the bank, the card is sent for destruction.

7.2.29. In case of blocking or termination of the Card, debit from the Card account the amounts of funds for transactions performed by the Customer within 30 (thirty) calendar days from the date of return of the Card to the Bank, expiration of its validity period or the date of blocking of the Card in case of its loss.

7.2.30. The Bank has the right to produce a Card with an individual design or refuse to produce a Card with an individual design based on its own discretion, or if the Customer uses images protected by copyright and other rights of third parties.

7.2.31. In case of detection of signs indicating a possible fraudulent nature of a debit transaction, the bank has the right to suspend such transaction for a period of 30 (thirty) days.

8. DURATION, AMENDMENT AND TERMINATION OF THE AGREEMENT

8.1. The Agreement shall enter into force from the date of acceptance of this Offer by the Customer.

8.2. The Bank shall have the right to terminate the Agreement unilaterally if any of the following events occur:

- the Customer fails to submit the documents necessary to meet the requirements to opening of the Account and conduct Account operations, to identify and verify the Customer and beneficiary, and other measures of proper check of the Customer, carrying out transactions on the account;
- the Customer has not submitted the relevant documents required for account operations, confirming the economic feasibility of the operation and the validity of the customer's real economic activity;

- inaccurate documents were submitted.
- in relation to the Customer, there is information about participation in the legalization of proceeds from crime and/or criminal activities, obtained in accordance with the legislation of the Kyrgyz Republic.
- in case of revocation of a previously issued permit from a government agency exercising the functions and powers of the Central Treasury of the Kyrgyz Republic to open a bank account for state-owned enterprises/institutions.
- in the anti-fraud system in remote banking information systems (anti-fraud), signs and patterns of behavior have been identified that constitute grounds for recognizing the Client's participation/complicity in fraudulent transactions.

8.3. The Parties hereby agree that simultaneous occurrence of any of the following events shall be regarded as the Customer's statement and desire to terminate this Agreement and to close the Account:

- no operations are conducted with the Account of the Customer during 36 (thirty six) calendar months from the date of the last Account operation (internal operations of the Bank on fee withdrawal are not included into this list), close the Account and the cards linked to it (if any) unilaterally, with mandatory written notification to the Customer of its closure at least 1 (one) month before the closure of the Account. Also, if there are no funds/transactions on the Account for more than 6 (six) calendar months from the expiration date of the card linked to the Account, close the Account unilaterally, with mandatory written notice to the Customer of its closure at least 1 (one) month prior to the closure of the Account. At the same time, any balance of funds will be accounted for in a separate consolidated account "Other Liabilities" with mandatory non-systemic accounting for each Customer in accordance with the legislation of the Kyrgyz Republic. In this case, the Account is closed without receiving confirmation from the Customer after 1 (one) month from the date of sending the Customer a notice of termination of this Agreement, if before this moment the funds were not received from the Customer to the Account;
- no statement is received from the Customer with regard to his/her intention to conduct operations with the Account;

8.4. In case of unilateral termination of this Agreement, it shall be deemed terminated:

- by the Bank initiative- the Agreement shall be considered terminated upon expiration of 1 (one) month from the date the Bank sends the Customer a written notice of termination of this Agreement or upon occurrence of the cases provided for in item 8.2, 8.3 of this Agreement;
- by the Customer's initiative- the Agreement shall be terminated from the date the Customer submits the respective application, provided that the Customer has no outstanding obligations or debts to the Bank;

8.5. Upon closing the Account, the Bank shall not return the documents, which the Customer has submitted in the process of opening and managing the Account. If there are some funds on the Account, the Bank shall dispose of them in the manner prescribed by i. 8.3. of this Agreement.

8.6. This Agreement shall be not effective upon full performance of all its obligations by the Parties.

8.7. In all other respects not covered by this Agreement, the Parties shall be governed by the legislation of the Kyrgyz Republic.

8.8. Unless otherwise envisaged by this Agreement, amendments and modifications shall be made by executing annexes/agreements signed by the Parties, which constitute an integral part of this Agreement and/or by sending a written notice and/or an electronic message to the Customer in the manner envisaged by this Agreement.

8.9. The Parties shall be exempt from liability for full or partial non-execution of obligations under this Agreement, if non-execution of the obligations has been caused by the acts of God (force majeure): fire, natural disasters, damage of transmission lines or communications, mass riots, acts of war, terroristic/criminal acts, adoption of regulatory legal acts, issue of prescriptions, orders or other administrative interference of the government, government authorities influencing execution of the obligations by the Parties under this Agreement and other circumstances beyond the reasonable control of the Parties.

8.10. Hereby the Parties recognize that any notifications, correspondence and so on will be deemed delivered if they are sent to addresses specified in this Agreement.

8.11. Hereby the Parties agree and recognize that any disputes arising out of or connected with this Agreement shall be settled in the court according to effective legislation of the Kyrgyz Republic.

8.12. This Agreement shall be valid until it is terminated and all accounts are closed.

8.13. The Customer has the right to terminate this Agreement or close one or several accounts at any time. Closing by the Customer of one or several accounts, if at least one account remains open, does not entail the termination of this Agreement.

9. RULES FOR USE OF A BANK PAYMENT CARD

9.1. General provisions:

9.1.1. The card is a means of payment for the goods (works and services) and receiving cash from the Customer's funds.

9.1.2. The Card shall expire upon expiration of the last day of the month and year indicated on the Card.

9.1.3. On the cards of international payment systems: in case of Card transactions in a currency other than the currency of the Card account, conversion is carried out taking into account an exchange rate premium of up to 3% to the official rate of the international payment system. In the Register of Transactions, the amount of a completed Card transaction is reflected taking into account the exchange rate premium on the date of the Card transaction using Cards.

9.2. Use of the Card in the trade and service network:

9.2.1. When making a transaction to pay for goods, works and services or receiving cash at a cash issue point (hereinafter - CIP), a receipt is printed. The Customer must check the receipt and, at the request of the CIP or trade and service network, sign it.

9.2.2. It is prohibited to accept a POS terminal receipt that does not indicate the amount of the purchase (service). When making purchases (especially in a restaurant), the Customer should not allow the cashier (waiter) to take the Card out of the Customer's sight, and also should not use the Card twice at the POS terminal.

9.2.3. If an attempt to pay through a POS terminal is unsuccessful and, as a result, a purchase is made in cash, the Customer must save the receipt. In case of refusal to pay by Card through the POS terminal due to poor connection, the Customer can repeat the payment procedure in a few minutes (of course, if the Customer has firm confidence in the availability of this amount of money on the Card account).

9.2.4. The Customer is recommended to keep the first copies of receipts from POS terminals and use them to calculate the balance of funds (payment limit) on the Card.

9.2.5. It is important for the Customer to know that when paying for a car rent, a hotel or any other service, the cost of the service may be blocked on the Card Account, and the Customer will not be able to use this amount until it is unblocked.

9.2.6. Commissions for transactions carried out using the Card are reflected in the Monthly Statement.

9.2.7. The Customer must keep in mind that the organization accepting Cards for servicing has the right to require the submission of a passport or other official document identifying the Customer.

9.2.8. Documents confirming the fact of a transaction using the Card are: a POS terminal receipt, an ATM receipt, as well as another document received at the Bank's request from the Payment System. In case of discrepancies in the data in the specified documents, the document received by the Bank from the Processing Center will be the final and only document confirming the fact of the transaction using the Card.

9.3. Rules for using the ATM:

9.3.1. Using the Card, the Customer can withdraw funds from an ATM. To do this, you need to place the Card (hologram facing you and up) into the ATM reader or bring the card to the contactless device on the ATM and carefully read the commands that appear on the screen. The Customer can select the necessary commands to receive cash. When entering a PIN code, the Customer must not allow others to see it. The customer has only two attempts to enter an incorrect PIN. After the third attempt, the Card is blocked and may be detained by the ATM.

9.3.2. The Customer should be careful after the command "TAKE YOUR CARD" appears on the screen - you must take the Card immediately, otherwise it will be detained by the ATM (after 20 seconds).

9.3.3. When money appears in the dispenser, the Customer must immediately pick it up, otherwise after 20 seconds it will be detained by the ATM, then receive a receipt for the amount of cash issued to the Customer.

9.3.4. If the Customer's Card or money is detained by an ATM, then you must contact the Bank or contact the organization that owns the ATM (phone numbers are usually displayed on the front side of the ATM).

9.4. Security measures when handling the Card:

9.4.1. The Customer must remember that the Card, together with the code word and/or PIN code and/or three-digit verification code (CVV2) (hereinafter referred to as the "Card") is the "key" to the Card account. The code word and/or PIN code and/or three-digit verification code CVV2 must not be known to other persons. It is best for the Customer to remember the code word, PIN code and take the necessary measures not to disclose the three-digit CVV2 verification code to third parties. If this is difficult to do, you need to write down the code word or PIN code in a place inaccessible to unauthorized persons. Under no circumstances should you write a code word or PIN code on the Card. Transactions using a code word and/or PIN code and/or a three-digit verification code CVV2 are recognized as completed by the Customer and are not subject to litigate.

9.4.2. The Customer must keep the Card in a safe place and avoid leaving it in places where someone could take it and copy its number and the Customer's sample signature, and carry out contactless payments.

9.4.3. The Customer must protect the Card from mechanical damage and from exposure to electromagnetic fields (car alarms, mobile phones, computers, access frames at airports, banks, shops, etc.) to avoid damage to the magnetic stripe.

9.4.4. The Customer must keep documents on transactions made with the Card in order to resolve issues regarding transactions made using the Cards.

9.4.5. In case of detection of loss, theft or unauthorized use of the Card and/or its Details, the Customer must immediately block the Card through the «KICB» system or block the card through the Bank's 24-hour Contact Center by phone: (+996) 312 620101.

9.4.6. In case of loss of the Card and/or its Details, new Cards will be issued to the Customer based on a request for re-issuance of the Card through the «KICB» system or a written application from the Customer after payment of the cost of replacing the Cards in accordance with the Bank's Tariffs.

9.4.7. The Customer is responsible for the consequences of untimely Blocking of the Card through the «KICB» system or contacting the Bank with a request to Block the Card.

9.4.8. Trade and service enterprises that serve customers via the Internet, remotely, by telephone, or by mail (MOTO) may require the entry of a three-digit verification code (CVV2), which is printed on the back of the card. This three-digit code is unique and is similar to the PIN code entered when paying for services or goods without physically submitting the card.

9.4.9. If the Customer damaged the surface of the PIN envelope before opening it, the PIN code on the envelope was erased, or the Customer forgot the PIN code, then the Customer must change the PIN code through the «KICB» system or come to the Bank with a passport to restore the PIN code.

10. RULES FOR PROVISION AND USE OF THE INTERNET BANKING SYSTEM «KICB»/«KICB BUSINESS»

10.1. General provisions:

10.1.1. The Customer is connected to the «KICB» system:

- from the moment of signing and submitting an Application for service in the «KICB» system;
- through remote registration if he/she has a current Bank card;
- after passing successful remote identification.

10.1.2. The Agreement shall determine the procedure and conditions for the Bank to provide the Customer with remote access to his/her Account via the Internet using the «KICB» system, and also regulates the relationship between the Customer and the Bank arising under this Agreement.

10.1.3. The Customer is familiar with and undertakes to comply with the security requirements when providing Remote Banking Services provided for in this Agreement and the security recommendations posted in the «KICB» system.

10.1.4. When providing services on use of «KICB» system, the Bank continuously monitors customer's transactions and assesses the risk of fraud by implementing an anti-fraud system in remote banking information systems (anti-fraud).

10.1.5. When the Customer logs into the «KICB» system and before starting service, the Customer must familiarize himself/herself with the current version of this Agreement posted on the Bank's website www.kicb.net.

10.1.6. By connecting to the «KICB» system, the Customer agrees to banking services via the Internet, realizing that the Internet is not a secure communication channel and the Customer who has joined this Agreement assumes all risks:

- arising as a result of the use of such a communication channel, including those related to the possible access of third parties to the Customer's Authorization Data and the performance by a third party, who has become aware of the Customer's Authorization Data, of debit and other transactions on the Customer's Account(s) and other actions to manage the Customer's Account(s);
- related to the connection of its technical means to the Internet and independently ensures the protection of its own technical means from unauthorized access and malicious software;
- and assumes all possible losses, losses, damages, etc. arising from the use of Remote Banking services via the Internet, including as a result of fraudulent, hacker, virus attacks from the Internet and the Customer hereby guarantees that will not make any claims against the Bank, will not file any claims against the Bank in such cases, since the Bank previously and fully informed the Customer about the possible risks. The Customer hereby acknowledges and confirms that he himself is the initiator of providing him with the technical ability to manage the Account(s), manage funds on the Account(s) and carry out payments and Transactions using Remote Banking

services, as well as that he releases the Bank from any liability, and the Bank, accordingly, does not bear any liability to him for any consequences that may arise for the Customer in the event of third parties intercepting control of the Customer's personal computer, mobile phone, theft of Authorization data or the Customer's failure to comply with security procedures.

10.1.7. The Customer has the right to refuse to use the «KICB» system by submitting an appropriate application to the Bank, provided that there are no controversial Operations, debts for payment for services of the Bank and third banks involved in the Customer's Operations, other unfulfilled obligations to the Bank and any other claims of the Bank related to Remote banking services for the Customer and his/her Accounts.

10.1.8. Requests for blocking access to the «KICB» system, received by the Bank in the manner established by this Agreement, are recognized by the Parties as coming from the Customer and claims for the consequences of blocking by the Bank are not accepted, to which the Customer expresses his/her unconditional consent.

10.2. The procedure for providing access and use of the «KICB» system:

10.2.1. The right to use the «KICB» system is granted by the Bank only to the Customer personally or to the Customer's Authorized Persons.

10.2.2. Initially, the Password is generated by the Bank when connecting to the «KICB» system; after successful Authentication, the Customer can change the Password an unlimited number of times at his own discretion, subject to compliance with password requirements.

10.2.3. The OTP code can be sent to the Customer's mobile phone via SMS message or can be generated using the Google Authenticator mobile application or Token.

10.2.4. The method of obtaining an OTP code:

- it's selected by the Customer at the time of submitting an Application for service in the «KICB» system to the Bank;
- it's established by the Bank at the time of remote identification.
OPT code can subsequently be changed at the Customer's request.

10.2.5. The Customer's access to the «KICB» system is carried out via the Internet using a web browser and mobile application. It is mandatory to use the most current versions of web browsers. The application is supported only by the following mobile operating systems: iOS and Android.

10.2.6. All actions in the «KICB» system, both to obtain information and to carry out Transactions, performed within the Authorized work session, are conclusively and unconditionally recognized by the Parties as performed personally by the Customer or his/her Authorized Person and the Customer bears full financial responsibility for such Transactions.

10.2.7. The Customer is obliged to treat Transactions through the «KICB» system with due caution, as well as take reasonable measures to reduce the likelihood of unintentional or accidental Transactions.

10.3. Basic requirements for maintaining security and confidentiality:

10.3.1. This section defines the rules mandatory for compliance by the Customer in order to ensure the required level of security when using the «KICB» system, and also includes a list of measures to ensure the confidentiality of Customer data and Operations performed by the Customer.

10.3.2. The Bank executes, and the Customer acknowledges the Bank's right to store in the Bank's database all events and actions performed within the Authorized work session.

10.3.3. On the part of the Bank, information security requirements during use of the «KICB» system by the Customer are ensured by taking the following measures:

- mandatory assignment of a unique Login to each Customer;

- mandatory generation of the Password in ways that exclude the possibility of access to information about the Password for any third parties;
- setting password complexity requirements;
- limiting the number of attempts to enter the Password if it is incorrect;
- limit on the number of attempts to enter a PIN code if it is incorrect;
- mandatory entry of an OTP code when passing through remote identification/performing certain types of transactions, as well as in the case of Authentication in the web version;
- use of the Customer's Biometric Data as Authorization Data for a mobile application, if such functionality is supported by the Customer's device;
- setting a time limit for the validity of the OTP code;
- there will be a failure in the functioning of the «KICB» system mobile application on the Customer's mobile device (mobile phone and/or other device that allows the use of the Bank's application) when the «KICB» system application on the device determines full access rights to the operating system and all functions of the mobile device, which resulted in removing restrictions from the manufacturer or telecom operator for manipulating system applications and the ability to run applications that require administrator rights (root and/or jailbreak);
- other methods established by the Bank as ways to increase the level of information security of the «KICB» system.

10.3.4. On the part of the Customer, the mandatory measures to ensure information security when the Customer uses the KICB system are the following:

- The Customer must keep the Login, Password, OTP code, PIN code “KICB” secret. Transfer of Authorization Data to third parties, orally or in writing, is strictly prohibited;
- The Customer should change the Password on a regular basis;
- If the Customer has the slightest suspicion or identified facts indicating:
 - access of third parties to the Customer's Authorization Data;
 - access of third parties to the KICB system on behalf of the Customer;
 - the loss (theft) of a mobile phone and/or SIM card to which the mobile phone number is linked, provided by the Customer to the Bank for the purpose of receiving SMS messages with OTP codes;
 - loss (theft) of the Token;
 - attempts of unauthorized access to the Customer's Account using the KICB system;

The Customer is obliged to immediately notify the Bank of this either by means of a written statement or by telephone, subject to the Customer indicating a code word or other supporting data (the list of identification data is established by the Bank), followed by written confirmation of this requirement within 5 (five) calendar days (application on paper signed and sealed (if available) by the Customer). If the Customer is unable to provide the above written confirmation within 5 (five) calendar days, then this period may be changed by agreement with the Bank;

- The Customer undertakes not to allow the loading of resident programs on the devices used to log into the «KICB» system that allow uncontrolled access to information storage devices and input/output devices;
- The Customer undertakes to use anti-virus software on the devices used to log into the «KICB» system, keep the anti-virus software databases up to date, regularly install security updates released by the developers of the operating systems and web browsers used;
- The Customer undertakes not to use the Bank application on mobile devices (mobile phone and/or other device that allows the use of the Bank application) that were subject to the process of gaining full access to the operating system and all functions of the mobile device, which

entailed the removal of restrictions from the manufacturer or telecom operator for manipulation system applications and provided the ability to run applications that require administrator rights (root and/or jailbreak).

10.3.5. The Bank shall not send messages or make telephone calls to the Customer with a request to provide all or part of the Authorization Data. The Customer, in turn, undertakes not to respond to incoming oral telephone calls or written requests asking for all or part of the Authorization Data. If the Customer receives such requests, he/she is obliged to leave it without execution/response and notify the Bank of this fact as soon as possible.

10.3.6. Access to and use of the «KICB» system, including performing any Transactions, as well as viewing information, is permitted exclusively to registered Customers. Transfer by the Customer of his/her Authorization Data to third parties is prohibited and is a direct violation of this Agreement. The Customer bears full responsibility for the consequences of transferring his Authorization data to third parties. If it is discovered that the Customer has transferred his/her Authorization Data to third parties, the Bank has the right, at its discretion, to temporarily suspend the Customer's access to the «KICB» system or unilaterally, out of court, completely stop providing the Customer with Remote Banking services.

10.3.7. The Bank has the right, without notifying the Customer, to temporarily suspend or limit the Customer's access to the KICB system, refuse to provide the Customer with or resume access to the KICB system if the Bank has sufficient grounds to believe that an attempt of unauthorized access to the KICB system on behalf of the Customer is possible or in case of detection of signs that indicate fraudulent activity in the Client's «KICB» system.

10.3.8. The Bank has the right, if it is established that the Customer has violated this Agreement, to suspend the Customer's access to the «KICB» system by blocking his/her account.

10.3.9. The Customer is informed and is fully aware that the transfer of Confidential Information via the Internet entails the risk of unauthorized access to such information by third parties. By connecting to the «KICB» system, the Customer agrees to banking services via the Internet, realizing that the Internet is not a secure channel of communication and information transfer, as well as all risks associated with a possible violation of confidentiality and other risks arising from the use of such communication channel.

10.3.10. The Customer understands that when using the «KICB» system, there is a risk of third parties gaining unauthorized access to the Customer's accounts, as well as information on Transactions. Unauthorized access becomes possible due to the interception by third parties of control of the Customer's personal computer, mobile phone, and theft of Authorization data.

10.3.11. The Customer undertakes to fully comply with the requirements of this Agreement, as well as take all necessary measures for the security and protection of information and documents exchanged within the «KICB» system.

10.3.12. The Customer is obliged, independently and at his/her own expense, to ensure the connection of his/her technical means (personal computer, mobile device and other means) to the Internet, as well as to ensure the protection of his/her own technical means from unauthorized access and malicious software.

10.3.13. If the Customer violates the rules for the safe use of Remote Banking services specified in this Agreement, as well as in cases of fraudulent transactions, hacker, virus attacks from the Internet, the Bank is not responsible for Operations performed on the Customer's Account.

10.4. Performing operations:

10.4.1. The parties recognize Bishkek time (UTC+6) as a single time scale when working with the «KICB» system.

10.4.2. The Bank has the right to notify the Customer about potentially important information for the Customer by SMS messages, e-mail newsletters, Push notifications: about the status of the Account, about the movement of funds on the Account, with a reminder about debt on loans, about new services of the Bank, etc.

10.4.3. The Bank has the right to change the list of services provided through the «KICB» system. If the Bank changes the list of services provided by the Bank through the «KICB» system, the Bank notifies the Customer by sending Push notifications in the KICB system and/or an information message sent to the Customer's email address in the manner prescribed by this Agreement. The Customer has the right to use or refuse these services at his/her own discretion.

10.4.4. Transfers of funds in a currency other than the Account currency (if the currency of funds on the Account and the currency of the transferred funds differ) are carried out at the currency exchange rate established by the Bank at the time of the Transaction.

10.4.5. The Parties acknowledge that electronic payment documents (Customer Orders) executed in the «KICB» system are considered to originate from the Customer and are legally equivalent to payment documents received by the Bank from the Customer on paper, drawn up in accordance with the regulatory legal acts of the Kyrgyz Republic and personally signed by the Customer.

10.4.6. The Bank has the right to introduce permanent or temporary restrictions on the performance of Transactions through the «KICB» system. The Bank shall inform the Customer about the presence of restrictions by:

- posting documents and information on the Bank's website;
- sending push notifications in Personal Account;
- in other ways at the discretion of the Bank, allowing the Customer to obtain information and establish that it comes from the Bank.

10.4.7. The Bank has the right to refuse to execute the Customer's Order:

- if there are insufficient funds on the relevant Customer's Account to carry out this Operation, taking into account the commission (if any) for its execution;
- if there is a suspicion of a security violation when using the "KICB" system, including if the Bank has reason to believe that the execution of the Order may result in financial losses for the Bank or the Customer;
- if the Transaction amount exceeds the limit(s) for Transactions through the "KICB" system or does not comply with the restrictions established by the Bank's Tariffs;
- if acceptance of the Order is impossible without the Customer providing additional documents required in accordance with the legislation of the Kyrgyz Republic;
- if the execution of the Order entails a violation of the current legislation of the Kyrgyz Republic, regulations of the National Bank of the Kyrgyz Republic, this Agreement, as well as the terms of other agreements (agreements) concluded between the Customer and the Bank;
- if the Customer's Account has been seized;
- in other cases, provided for by the agreement concluded between the Bank and the Customer, and/or the legislation of the Kyrgyz Republic.

10.4.8. The Customer shall agree that the use of his/her Authorization Data is appropriate and sufficient to establish his/her identity and confirm the right to conduct Transactions on his/her Accounts.

10.4.9. Bank commission paid by the Customer in a currency other than the debit currency is carried out at the currency exchange rate established by the Bank at the time of the Transaction.

10.5. Rights and obligations of the parties:

10.5.1. The Bank undertakes:

- to execute Customer's Orders created during an Authorized work session on behalf and at the expense of the Customer;
- to provide technical support and maintenance of the "KICB" system;
- in the event of technical problems arising while using the "KICB" system, take all possible actions to eliminate them within a reasonable time, while the Customer does not have the right to make claims to the Bank and during the period of eliminating technical problems must carry out Operations in the usual way using paper media, or apply an alternative method of transmitting Customer's Orders to the Bank;
- to notify the Customer about changes in the operation of the "KICB" system in the manner provided for in this Agreement;
- to block access to the "KICB" system upon written application from the Customer (applicable only to legal entities). The Customer's oral application for blocking is accepted by the Bank upon proper identification of the Customer - the Customer communicates the code word or other identification data (applicable for individuals);
- to monitor the security of your own systems and take all possible measures to prevent system hacking and other external threats and attacks;
- to bear other obligations provided for in this Agreement.

10.5.2. The bank has the right:

- at its discretion, temporarily suspend or limit the Customer's access to the «KICB» system or refuse the Customer to provide or resume access to the «KICB» system, or refuse to carry out specific Operations, or unilaterally out of court completely stop or temporarily suspend the provision of Remote banking services to the Customer:
 - when identifying the Customer's actions that clearly indicate the presence of malicious intent with the aim of causing damage to the Bank;
 - in case of detection of facts of violation by the Customer of the security rules and conditions of use of the «KICB» system set out in this Agreement, as well as the current legislation of the Kyrgyz Republic;
 - if the Customer has an unpaid debt to the Bank, including overdue loans;
 - in case of insufficient funds on any Account to pay the cost of services using the «KICB» system;
 - if the Customer violates the terms of this Agreement;
 - in case of technical malfunctions when working with the «KICB» system;
 - when changing software and carrying out maintenance work;
 - if a controversial situation arises related to servicing the Customer at the Bank, until the dispute is resolved;
 - in other cases, provided for by this Agreement and the legislation of the Kyrgyz Republic;
- unilaterally set and change limits on transactions through the «KICB» system, establish technical and other restrictions, as well as implement other mechanisms that reduce the risks of the Customer and the Bank arising when using the «KICB» system, including taking additional

organizational and technical measures to increase the level of security when providing Remote Banking services;

- immediately cancel the Customer's access to the «KICB» system in case of closure of the Customer's Account(s) with the Bank;
- if necessary, request from the Customer the execution of the Customer's Order on paper with the signature of the manager/Authorized persons and the Customer's seal (if any) for the implementation of the service/operation no later than the next business day by sending a written message to the Customer or by information message sent to Personal Account. In this case, the Bank will not execute the Customer's Order until it receives the document on paper;
- to disconnect the Customer from the "KICB" system if there is a debt to the Bank for more than 3 (three) months for maintaining a current account in the "KICB" system. To reconnect the Customer to the "KICB" system, the Customer will have to pay a connection fee in accordance with the Bank's Tariffs;
- when the Customer's passport expires, transfer the Customer's access in the "KICB" system to "View Mode" until the Customer provides a valid passport to the Bank;
- upon expiration of the Customer's power of attorney, close the Customer's access to the "KICB" system;
- set a default account if the Customer has not independently set a default account;
- to make changes to the limits and list of available services in the KICB system;
- refuse remote identification to the Customer;
- exercise other rights provided for in this Agreement.

10.5.3. The Customer undertakes:

- to be responsible for keeping confidential (not transfer/disclose) Authorization data to third parties. Ensure that Authorization Data is stored in a manner that prevents unauthorized access by unauthorized persons. If the Customer has the slightest suspicion or identified facts indicating the above, the Customer is obliged to immediately notify the Bank about this, either by means of a written statement or by telephone, provided that the Customer indicates a code word or other supporting data (the list of identification data is established by the Bank), with followed by written confirmation of this requirement within 5 (five) calendar days (application on paper signed and sealed (if any) by the Customer).
